Enclosure No

His docket no. 3721/III, dated 16th December 1899, regarding Inspector Venkata Rao.

Has the honor to state that apart from whatever opinion the Medical Officer has expressed as to Venkata Rao's physical fitness for further service Mr. Kearns is decidedly of opinion that the Inspector is totally inefficient and utterly incapable of understanding the details of the J. J. System and in this opinion the undersigned fully concurs.

concerns. It is sought to retire the officiator on this ground of inefficiency, he having completed 55 years of age. In this view of the case, a fresh medical Examination of the Official by the Civil Surgeon seems to the undersigned to be unnecessary.

Regrets therefore that as already suggested, the sanction of Government may be obtained to the Inspector's retirement.
